Presidents' Letter

In last month's Presidents' letter we addressed where we've been, and where we're going. Continuing that theme, at the March General Meeting new officers were elected to lead us to the future. They will be installed at our May meeting and will be calling on members to serve on various committees during the next program year. We encourage you to be an active participant and say "yes" when asked to chair or participate in a committee. We are certain you will find volunteering in your organization to be a meaningful experience.

Future plans for our local Branch include expanding the activities of the College/University Relations Committee, under the direction of Frankie Smith and Rosella Valentine. Look for more information about these activities in future newsletters and on our Web site. In addition, Frankie, Diane Reichert, and Judy Bonn are researching how we can use Facebook as a tool to promote AAUW's mission and the issues we support. Important issues we continue to work for are equal pay for women and human trafficking. To learn more, please plan to attend future General Meetings and see page 9 of this newsletter for information on these topics. And thanks to Diane and her co-Webmaster Anne Wilkins for the work they are doing to update our Branch Web site. (See page 5 for details.) The additions will keep you better informed of AAUW activities at the National, State, and local levels. Together we continue to work to fulfill our mission of advancing equity for women and girls through advocacy, education, philanthropy, and research.

It's time for AAUW's national election. In addition to selecting new officers, members will be asked to vote on proposed changes to National's public policy program as well as amendments to the organization's by-laws. AAUW's one-member-one-vote policy means that each of us has a voice in the outcome of the election. So watch your mailbox for the Spring/Summer issue of the *AAUW Outlook* magazine because it contains important information regarding the upcoming election. And see page 8 of this newsletter for more election information.

Once again, we have been invited to participate in the semi-annual Belk Charity Sale fundraiser. The spring sale will be on Saturday, May 2, and we are participating again this year to support Amber Sode, one of our scholarship winners who will graduate in December 2015. See page 5 for more information about this event.

Meetings and Programs

April General Meeting

The April 21 meeting will be held at the Polo Club in The Villages from 11:00 A.M. 'til 1:30 P.M. We will hear a presentation – *Polo 101* – and enjoy a box lunch. Everyone is welcome, but **this is a ticketed event** so contact Linda Ferens (lindamarie255@hotmail.com; 352-633-3175) or Ginger Ryan (virginia.ryan04@gmail.com; 518-421-4454) to get your tickets soon! They are \$16.00 each, which includes the presentation and lunch.

Directions: The Polo Club is located at 703 N. Buena Vista Boulevard in The Villages. This is .5 mile north of 466. Follow signs for parking.

May General Meeting: Break Out the Fine China and Flowery Hats!

The May 16 General Meeting will be held at the Allamanda Recreation Center from 2:00 to 4:00 P.M. This will be a high tea along with installation of officers and presentation of scholarship recipients. Contact Liz Schweers (eas42_mh@hotmail.com; 850-247-9489) to make reservations.

Please bring your own china cup, saucer, plate, and silverware. All members will also bring a food item to accompany the afternoon tea. If your last name begins with A-L, please bring a sweet dish; M-Z please bring a savory dish. Not clear on what's sweet and what's savory? Check out Whatscookingamerica.net/Menu/HighTea.htm for sweet vs savory high tea recipes. No cakes or pies, please. Oh, and we also encourage you to wear a hat. Why not?

March General Meeting Follow-up

Thank you to Linda Ferens and Ginger Ryan, Program co-Chairs, for arranging to have Dr. Donald Wyman (pictured at right) speak at our March General Meeting. Recall that Dr. Wyman spoke at our January meeting about Elizabeth Van Lew who was a spy during the Civil War. In March, Dr. Wyman told us of the life of Benedict Arnold, a fearless general during the American Revolutionary War who originally fought for the American Continental Army, but later defected to the British Army. Dr. Wyman's presentation was informative and entertaining. Thank you also to Liz Schweers and the Hospitality Committee for the delicious strawberry shortcake. Their efforts are sincerely appreciated.

Board Meeting

The next meeting of the Lake / Sumter Executive Board will be from 10:00 A.M. to 12:00 noon on Tuesday, April 7, 2015, at the Sumter County Sheriff's Annex, which is at the corner of 466 and Morse Boulevard. Board meetings are open; all members are welcome to attend. This will be the last Board meeting for the 2014-15 program year. The new Executive Board will resume meetings in August.

Special Interest Groups

Bridge Groups

Lake / Sumter AAUW offers two Special Interest Bridge groups:

- ♦ The Monday Bridge group plays on the second and fourth Mondays of the month at 1:15 P.M. (notice the time change); it is open to any interested member who wishes to play regularly. Location is scheduled on a date-to-date basis, with members volunteering to host in their homes. New members are welcome! And the group would appreciate hearing from those who might want to be substitutes. To join this group, as a regular player or as a substitute, contact Mary Ann Swisher at mswiper@mindspring.com or 352-259-3739. The Monday Bridge Group will play this month on April 13 and 27. Hosts will be announced before the meetings.
- ♦ The Thursday Bridge group meets on the first and third Thursdays every month at 1:00 P.M. This month, they will play on April 2 and 16. The group is comprised of 12 regular members. Currently they have openings and are always in need of substitutes. If you would like to join the group or substitute, please contact Carolyn Johnson at cgljohnson@comcast.net or 352-751-4103.

Diversity Book Club

The Diversity Book Club meets the third Wednesday of the month at 10:30 A.M. at Freedom Pointe. This month's meeting is on April 15, and the book will be *Flight Behavior* by Barbara Kingsolver. For more information, contact Pat Bays at 352-751-3777 or stanbays@embarqmail.com.

Because all visitors to Freedom Pointe must sign in, Pat has asked that club members arrive no later than 10:25 A.M. She will meet the group in the lobby to escort them to the meeting area. Parking may also be a challenge, so carpooling is encouraged. Club members often go out for lunch after the meeting.

Conversational Mah Jongg

The Conversational Mah Jongg group — it's relaxed and talking is permitted — plays at 1:30 P.M. on the first and third Mondays of each month. This month, the group will play on April 6 at the home of Margaret Kaufman (2507 Beaumont Terrace in Hadley, 352-750-4658) and April 20 at the home of Kathy Howe (1391 Eagle Ridge Drive in Liberty Park, 631-219-4289). If you plan to play, it is essential to contact the host by the Friday prior to the game. Contact Anne Schlick (aroyrogers@centurylink.net, 750-1027) for more information about this group.

Great Decisions

On March 10 the Great Decisions interest group finished an eight-week study on various topics pertaining to United States foreign policy. We learned much about the world and found the chapter on human trafficking, moderated by Dotty Sasmor, of particular interest. Thank you to Carol Richardson and Joyce Swaffield for helping out with organization of the class. We hope to continue the Great Decisions interest group again next year. Anyone interested in viewing the DVD topics should email Diane Jacobson, chasanddi@embarqmail.com to get on the loaner list for it. To find out more about the program, check out the Foreign Policy Association Web site: www.fpa.org.

Special Interest Groups *(Continued from page 3)*

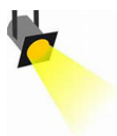

Golf Anyone?

Our group is golfing on Friday mornings, and our reservation is entered into the tee time system on the Sunday evening before we play. Contact Carmel Leese by Saturday evening if you are interesting in playing. The requested time is based on the weather forecast during the winter season. It has been 11:30 A.M. with a window of 10:30 A.M. to 2:30 P.M. Golf courses we play alternate weekly between those north of Hwy 466 and those south of Hwy 466. We do not include the courses north of Hwy 441 or south of Hwy 466A. If you are interested in joining, contact Carmel Leese (352-751-0119, crleese@gmail.com). You can participate weekly or when your schedule allows as there is no weekly commitment required. But if you haven't participated in the past, also please include your Villages ID number when you call since this is needed for entry into the tee time system.

Branch News

Spotlight on Philanthropy: Public Policy Fund

In 2007, AAUW reorganized its funds, and the Public Policy Fund was one of several grouped together under the umbrella of AAUW Funds. In general, the Public Policy Fund supports AAUW's public policy efforts in advocating for policies and laws that are fair to women. For the 2013-2015 biennium, the organization specified several action priorities for its public policy program. These include

- ♦ **Civil Rights:** Advocating for equality, individual rights, and social justice for a diverse society. Specific issues include human trafficking, hate crimes prevention, affirmative action.
- ♦ **Education:** Supporting a strong system of public education that promotes gender fairness, equity, and diversity. Specific issues include STEM education and sexual harassment and violence in schools.
- ♦ **Economic Security:** Advocating for all women to achieve economic self-sufficiency. Specific issues include pay equity, retirement security, and health care.

Locally, our Public Policy Committee is chaired by Anne Schlick. The function of her committee is to keep the Branch members informed of AAUW's public policy work. Contact her (aroyrogers@centurylink.net; 352-750-1027) if you want to get involved in AAUW's public policy efforts.

Scholarship Committee

Well, the news is all good. Thanks to the hard work and generosity of members of our Branch (that's YOU!), we raised over \$4,000 from our ring fundraiser. That is enough to fully cover the scholarships we'll provide in the upcoming 2015-2016 academic year!

The Scholarship Committee met at the end of March to review scholarship applications and select our two newest winners for the coming year. We will introduce these scholarship recipients to you at our May high tea meeting. It's an exciting time for us!

Branch News *(Continued from page 4)*

We want to thank those of you who have stepped up to help Amber Sode to survive this spring semester (January through May) at UCF. She so appreciates your help in getting through her first unpaid teaching internship. Amber plans to attend the April and May meetings, so please take the opportunity to meet her and talk with her about her program at UCF. If you can donate toward her living expenses for her last two months of this semester – April and May – thank you! We have her last semester's expenses covered, thanks to the support of the Trust Department at The First National Bank of Mt. Dora, Rotary Club of The Villages, AAUW Belk Fundraiser (thanks, Bev and Margaret!), and AAUW members and friends. Thanks to you, we are changing lives...one scholarship at a time!

Belk Spring Charity Sale

The bi-annual Belk Spring Charity Sale will be held in their stores on Saturday, May 2 this year. Here is the way the charity sale works.

At the Tuesday, April 21 General Meeting, coupons will be available for you to purchase for \$5.00 each. On May 2 you go to a Belk store and *use the \$5.00 coupon toward the purchase of any item*. AAUW Lake / Sumter Branch keeps the \$5.00 you paid for the ticket; you will spend the \$5.00 coupon on the item you wish to purchase. It's just that easy!

If you can't attend the May 2 sale date, you can go to a Belk store any day during the entire week of the sale and use your coupon. Belk will keep your purchase, and you can pick it up the day of the sale, or the following week.

Monies raised will be used to fund Amber Sode's second unpaid internship during the fall semester (September through December 2015). Amber is one of our scholarship recipients. We are all proud to say that Amber will graduate in December 2015! And she hopes to be a teacher in Lake County.

If you unable to attend the Tuesday, April 21 General Meeting, please contact Beverly Grappy (bjgrappy@comcast.net; 330-692-1822) and she will mail or deliver the coupon to you.

Branch Web Site Updates

Our Branch Web site (<http://lakesumter-fl.aauw.net>) is going through modifications and updates. Our co-Webmasters, Diane Reichert and Anne Wilkins invite you to take a look and provide feedback to them about the site and how they can make it friendlier to our Branch users. You can contact Diane at reichert05@gmail.com and Anne at ancwilk@yahoo.com. Here's a brief introduction to some of the changes that have been made to the site.

On the **Home Page**, *Coming Up* and *Hot News* sections have been added to show upcoming Branch events and news items of importance to the members. These sections will need constant updating so we are asking the membership to please help us keep it current. Some information comes from the newsletter, but we are always looking for new and additional information that will be pertinent to Branch members as well as others from the public who may visit the site.

The 2014 bylaws are posted under **About Us**. They are in PDF format, so you will need Adobe Reader to access them. This document was recently updated to align with National Guidelines, but it is now available for all members to read.

(Continued on page 6)

Branch News *(Continued from page 5)*

A **Members Only** section has been added to the site. This section is password-protected; the current password is **1998**. The new section contains the 2014-2015 newsletters and the latest carpool list. For Committee members and for members who have volunteered to take on tasks, other working documents (Word files) will be posted as the new ones are generated; for example, job descriptions, current budget, and the like. Not all documents are added yet; more will be added during the summer as the new programming lists and activities become finalized. Plus we hope to have the PDF of the new members' handbook ready for online use.

On the right side navigation panel under **Branch Links** on all of our pages, there is a visible link to our Facebook page. Clicking on the link will take you directly to our Facebook page, which is open to everyone; no one has to join Facebook to view our page. If you click the Facebook link and want to return to our Web page, just use the back arrow in your browser.

Please take a look now at the changes; your feedback is always welcomed. If you find a section that needs a re-write, or if there are links that aren't working, let us know. And we will be looking for volunteers to help update outdated information.

State and National News

Tech Trek

Tech Trek will be starting soon and we are anxiously awaiting notification from AAUW Florida regarding which, if any, of our nominees made the cut. We submitted six names from the Lake / Sumter area and one other from Tallahassee. All seven girls are exceptionally well-qualified for the camp experience. So stay tuned. . . we'll let you know as soon as we hear the results!

State and National News (Continued from page 7)

AAUW Florida Leadership Conference

AAUW Florida's Leadership Conference will be Friday, April 17, and Saturday, April 18, 2015, at the Melbourne Hilton Rialto Place. Member registration is \$70.00 until April 1; after April 1, registration will be \$80.00. Registration forms are available on the AAUW Florida Web site (<http://aauw-fl.aauw.net>) as is a tentative conference program. Activities will begin on Friday evening with registration from 5:00 to 7:00 P.M. Then, from 7:00 to 9:00 P.M. the State co-Presidents will honor branch leaders at a reception. The opening session on Saturday morning will feature a National update and a viewing of the video, *Leadership the Eleanor Roosevelt Way*. An array of workshops all day, beginning late in the morning and continuing after the noon luncheon, which will feature an after-the-meal guest speaker from National. Workshops will focus on mission-based programs, social media to increase visibility, and engaging volunteers, among other topics.

AAUW National Elections: Membership Eligibility on the Ballot

AAUW's national elections are coming up soon. Online voting begins April 15 and closes June 19 at 9:00 P.M. PT. If you would be more comfortable voting via paper ballot, contact Beverly Grappy (bjgrappy@comcast.net; 330-692-1822) before April 1 and she will request paper ballots from National for all members who contact her. Your ballots will be sent to you by AAUW National at the address they have on file for you. Paper ballots must be post-marked by May 26.

But you're probably wondering why the big push to bring the election to your attention. There are actually two reasons. One is National's one-member, one-vote policy. That is, as a member of AAUW, every one of us has a vote in how the association operates, and as civic minded and educated women, we are obligated to exercise our voting right in the organization.

But a second reason relates to an issue included on this year's ballot that could have profound impact on AAUW. On the ballot, you will find the candidates for elected office as well as proposed changes to public policy. But in addition, there are several proposed amendments to the by-laws. While most of the changes and amendments appear routine, one of the amendments to the by-laws requires members' attention.

Proposal 1 eliminates the degree requirement for membership in AAUW. That is, any person who supports AAUW's mission and wants to join the organization will be free to do so. This proposal was made by an AAUW member, and it is now up for vote by the full membership. You can read the reasons for the proposed change on the Lake / Sumter Branch Web site (<http://lakesumter-fl.aauw.net>) where AAUW's National Election Voter Guide has been posted in PDF format. In addition, the Spring/Summer issue of *AAUW Outlook* magazine, which should be in your mailboxes soon, will have information about the upcoming election and instructions for voting both online and by ground mail. In addition, the magazine has your member ID number and a pin number, both of which you will need to access the online ballot. These numbers can be found on the mailing label on the back of the magazine along with your name and address.

Please vote!

State and National News *(Continued from page 8)*

Public Policy

Human Trafficking: Last month we explored the problem of human trafficking and reported that Florida's bill mandating the display of human trafficking awareness signs at specific locations had hit a snag and the bill wasn't scheduled to be heard in the Senate's Transportation Committee. Now we learn that the Federal Senators have decided to include anti-abortion language in a bipartisan bill meant to help human trafficking survivors. AAUW believes the only way this bill should pass is without that language.

There's still time to contact your Senators and tell them to oppose the human trafficking prevention bill, until the anti-abortion language is removed. Call the Capitol switchboard today at 202-224-3121 and ask to speak to your Senator. Or use AAUW's Two-Minute Activist link (<http://www.aauw.org/what-we-do/public-policy/two-minute-activist/>) to send an email message.

Paycheck Fairness: In a recent message from AAUW National, we learned that supporters of fair pay in the 114th Congress are preparing to re-introduce the Paycheck Fairness Act in both the House and the Senate. This is a top issue for AAUW as it seeks to achieve economic self-sufficiency for all women. Currently, women earn 78¢ for every dollar a full-time male worker earns. This is not a trivial difference. According to the AAUW Web site, "Over a lifetime of work (47 years), the total estimated loss of earnings of women compared with men is \$700,000 for a high school graduate, \$1.2 million for a college graduate, and \$2 million for a professional school graduate."

We can help by contacting our legislators and asking them to co-sponsor the bill when it is introduced. Use AAUW's Two-Minute Activist link (<http://www.aauw.org/what-we-do/public-policy/two-minute-activist/>) to send an email message to your representatives in the Senate and the House – not only to co-sponsor the bill, but also to support it when it comes up for a vote.

78¢
For every dollar a man makes, a woman makes seventy-eight cents.

SHORT CHANGED

It takes a woman about 15 months to earn what a man earns in 12 months. This Equal Pay Day, April 14, you can raise awareness and take action to end the gender pay gap in your community.
